

DEPARTMENT OF ACCOUNTING AND FINANCE

1. EDUCATIONAL OBJECTIVES

The mission of the Department is to create and disseminate knowledge in the fields of Accounting and Finance. The modern curriculum of the Department is designed in a way that covers a wide range of important topics and issues in the fields of Accounting and Finance, at both a theoretical and a practical level. The program structure gives the opportunity to students and staff members to have an experience of quality and of mutually supportive cooperation. It also gives students opportunities to develop new learning methods, innovation, self-creation, contributing in contemporary society and civilization.

2. PROFESSIONAL RIGHTS

The modern curriculum of the Department seeks to meet the professional requirements of the Accounting and Financial sector of the economy (private and public). Specifically, the graduates of the Department have been given by law the professional rights of the Accountant-Tax Consultant and can thus be employed as executive accountants of firms or organizations or they can be self-employed (Law 2515/1997, Presidential Decree 340/1998, Law 2771/1999, Law 4152/2013). In addition they are certified to work as a chartered Accountant-Auditor under the conditions laid down by law. At the same time they are able to work professionally in the financial sector as managers in Banks, Insurance companies and brokerage firms. Also, the graduates of the Department have the opportunity to teach Secondary Education courses of the specialty EE 18.03 Accounting (108112D2/20-09-2011).

Specifically, the graduate of the Department of Accounting and Finance:

- Maintains the accounting books of all categories in accordance with the tax legislation, the Generally Accepted Accounting System (GAAS) and the Departmental Accounting System.
- Compile and analyze financial statements.
- Prepare budgets of companies and organizations and be able to analyze them based on the standard cost.
- Apply principles of costing methods.
- Prepare financial studies, business plans, and financial reporting.
- Advise on economic issues, and to participate in economic research.
- Apply procedures of internal and external audit.

- Understand and use management and information systems, in business, stock exchange brokerages etc.
- Are familiar with modern applications in Computers in Accounting and Finance.
- Have knowledge of the latest trends right now in the scientific field of Accounting and Finance
- Foster a comprehensive knowledge of the area of applied accounting and financial analysis in both Greek and international reality

3. CURRICULUM

The basic orientation of the Department's curriculum is designed to meet the professional requirements of the accounting and financial sector of the economy. Therefore, the curriculum includes general courses in order for students to acquire basic knowledge of economics and accounting and finance courses, so that graduates of the Department can acquire the necessary skills and professional expertise in the ever changing job market. Furthermore, the curriculum of the Department is structured as follows:

A. Core Courses

Courses	ECTS
Microeconomics	5
Business Administration	5
Mathematics for Economists	5
Computing I	5
Commercial and Economic Law	5
Macroeconomics	5
Human Resources Management	5
Statistics	5
Computing II	5
Labor Law	5
Operational Research	6
Principles of Marketing	6
Economic History	6
Business Policy and Strategy	5
Labour Economics and Industrial Relations	5
Logistics	5
eCommerce	5
Management and Information Systems	5
Applications of Quantitative Methods in Economics	5
European and Economic Institutions	5
Research Methodology	6

International Economic Relations	5
Feasibility Studies	6
Professional Ethics	6
Innovation and Entrepreneurship	6
Applied Econometrics	6

B. Specification in Accounting

Courses	ECTS
Introduction to Accounting	5
Financial Accounting	5
Business Accounting	6
General Accounting Plan	6
Sectoral Accounting Plan	6
Cost Accounting	6
Tax Accounting	5
Computerized Accounting I	5
Auditing	5
Computerized Accounting II	5
International Accounting Standards	5
Accounting of National Accounts	6
Corporate Governance and Internal Auditing	6

C. Specification in Finance

Courses	ECTS
Principles of Financial Management	6
Money and Capital Markets	6
Business Economis	6
Introduction to Insurance Science	5
Financial Statements Analysis	5
Stock Exchange and Financial Products	5
Portfolio and Risk Management	6
Consolidated Financial Statements	6

Erasmus Program

Courses Macroeconomics, Microeconomics, Labor Law, Commercial and Economic Law, Human Resources Management, eCommerce, Principles of Financial Management, European and Economic Institutions, Economic History, and Applications of Quantitative Methods in Economics are offered in English under the Erasmus program

4. Resources

A) Educational, Technical and Administrative Staff

I. Educational Staff

Professors

GIKAS GRIGORIOS	
	Professor Tel: 0030 26820 50552 Office hours: Tuesday and Thursday 10:00 - 11:00 Email: gikas@teiep.gr Courses: Financial System, Feasibility Studies, Research Methodology
1. Ph.D. in Economics, University of Lodz, Poland, 1989. Thesis title: "Greece in E.E.C. – Structural Changes in Economy and External Trade". 2. B. Sc. in Economics, Faculty of Economics, University of Lodz, Poland, 1986, specialization: Economics and External Trade Organization 3. Post-graduate certificate in Open and Distance Learning, Hellenic Open University , 1999 4. B.A. in Pedagogical Studies, School of Pedagogical and Technological Education (PATES/SELETE), 1998	
Current Position	
<ul style="list-style-type: none">• Professor in Financial System and Technico-economic Studies, Technological Educational Institute (T.E.I.) of Epirus, Department of Accounting and Finance, Preveza, Greece• Adjunct Professor, Hellenic Open University, Postgraduate program in Banking	
Previous Position	
<ul style="list-style-type: none">• President of the Technological Educational Institute of Epirus, Greece• Dean of the Faculty of Management and Economics, T.E.I. of Epirus.• Head of the Department of Accounting, , T.E.I. of Epirus• Deputy Dean of the Faculty of Management and Economics, T.E.I. of Epirus• Assistant Professor, Technological Educational Institute (T.E.I) of Mesolongi, Department of Accounting, with specialization "Money – Credit – Banks and Technico-economic Studies"• Part-Time Assistant Professor, Technological Educational Institute (T.E.I) of Patras, Department of Business Management• School of Tourist Guides, Mesolongi, Greek Tourist Organization.• Freelancer Business Consultant	
Research Work. Prof. Gikas has in total over 50 publications	
Selected Publications:	
1. <i>"Structural Changes or Possible exit of Greece from the Eurozone?"</i> , in: "The Mechanism of Functioning of EMU Euro Zone Enlargement – The New Members Perspective", International Conference, University of Lodz, Poland, Acta Universitatis Lodzianis, Folia Oeconomica 239, Lodz, November 2010, pp.69-74. 2. The SME sector in Greece. Financial Gap during the crisis, Agrarna Ekonomika, National Agricultural University, Vol. 5 (1-2), Lviv, Ukraine, pp. 43-48. (2012) 3. Global Financial Crisis and Greek Debt Crisis , Acta Universitatis Lodzianis, Folia Oeconomika issue 273, pp.135-146. (2012) 4. The Experience of Greece from its participation in the Eurozone, Management Insight, The Journal of Incisive Analysers, Vol. IX (1), June 2013, pp. 9-16..	
Research Interests	
Monetary Theory and Policy, Exchange Rates, Greek Economy-Structural Changes	

NAXAKIS CHARILAOS

Professor

Tel: 0030 26820 50562

Email: naxakis@teiep.gr

Detailed CV:

http://accfin.teiep.gr/sites/default/files/naxakis_haris_cv.pdf

Courses:

Research Methology, Professional Ethics

Studies

1. Bachelor of Science in Economics, Department of Economics, University of Macedonia (1985)
2. PhD in Economics, Department of Economics, University of Macedonia (1991)

Current Position

- Professor in the Accounting and Finance Department of the School of management and Economics of the Epirus Technological Educational Institute (TEI)

Previous Position

- Associate Professor, Department of Finance and Auditing of the School of management and Economics of the Epirus Technological Educational Institute (TEI)
- Adjunct Professor in the School of Social Science of the Hellenic Open University, Greece
- Assistant Professor, Department of Agricultural Management, University of Ioannina
- Assistant Professor (Research Associate), Department of Marketing of the Thessaloniki's Technological Educational Institute (TEI)

Research Work

He has served as an editor of the "Review of Economic Science" and as a member in scientific committees of the Ministry of Education (Educational Institute). He is the writer of several books, articles which have been published in Greek and international journals and he has to his credit many papers at international conferences. Notable is the number of citations in his scientific work. He has also participated either as a project leader or as a member of the research team, in several research programs.

Indicatively reported some of the books of which he is the author or co-author:

"Contemporary Political Economy" ,Patakis Publishing, 2010

"Alternative Approaches to Development " , Patakis Publishing, 2008

"The future of employment" ,Patakis Publishing, 2005

"Myths and Realities in the Age of Globalization" , Patakis Publishing, 2003

"Contemporary Economic activities", Ministry of Education - Institute of Education, 2002

"Immigrants and Immigration: Economic, Political and Social Aspects," Pataki Publishing, 2001.

"Economy and Consumer", Ministry of Education – Inst. of Adult Continuing Education, 2000.

"Principles of Economics", Patakis Publishing, 2000

"Principles of Business Administration" Patakis Publishing, 2000

"Principles of Economic Theory" Patakis Publishing, 1999

"Basic Principles of Organization and Management", Hellenic Open University, 1999
 "Unemployment: Myths and Realities", Alternative Publishing, 1998
 "Poverty of Nations: Society of two-thirds or radical reduction of working time?" Alternative Publishing, 1997
 "The industries of knowledge and information: Review of information society "Alternative Publishing, 1995
 "The ecologisation of development: towards a green capitalism" Alternative Publishing, 1993

GEORGIA FOUTSITZI	
	Professor Tel: 0030 26820 50615 Office hours: Wensday 11:00-13:00 and Thursday 12:00 - 13:00 Email: gfoutsi@teiep.gr Personal webpage: http://preveza.teiep.gr/faculty/gfoutsi/ Detailed CV: http://preveza.teiep.gr/faculty/gfoutsi/georgia_foutsitzi_cv.pdf Courses: Statistics, Operational Research
Studies	1989 Diploma Degree. Department of Mathematics, University of Ioannina, Greece 1996 PhD Degree in Applied Mathematics and Mechanics. Division of Applied Mathematics and Mechanics, Department of Mathematics, University of Ioannina, Greece
Current Position	<ul style="list-style-type: none"> • Professor in Applied Mathematics. Dept. of Accounting and Finance, TEI of Epirus • Dean of School of Management and Economics
Previous Position	9/2005–12/2012: Assoc. Professor in Applied Mathematics. Dept. of Finance and Auditing, TEI of Epirus, Greece 9/2002- 8/2005: Assistant Professor (on an annual contract basis) . Dept. of Finance and Auditing, TEI of Epirus, Greece 8/1999-8/2002: Assistant Professor (on an annual contract basis) . Dept. of Material Science and Technology, University of Ioannina 11/1998-8/1999: Lecturer (407/80) . Dept. of Mathematics, University of Ioannina 9/1997-2/2001: Teaching Fellow, TEI of Epirus, Greece 4/1996-8/2005: Postdoctoral Research Fellow. University of Ioannina

Research Work

Prof. Foutsitzi has in total over 40 publications in refereed journals and international conference proceedings (full-text review) and, more than 150 citations to her published research work. Representative Publications:

1. G. Foutsitzi, Ch. Gogos, E. P. Hadjigeorgiou, G.E. Stavroulakis, *Actuator Location and Voltages Optimization for Shape Control of Smart Beams Using Genetic Algorithms*, *Actuators*, 2(4), 111-128; 2013
2. G. Foutsitzi, Ch. Gogos, E. P. Hadjigeorgiou, G. E. Stavroulakis, *Design Optimization of Smart Piezoelectric Beams*, Proc. 5th IC-SCCE, Athens, 4-7 July, 2012
3. G. Foutsitzi et al. *Modelling and Simulation of Controlled Smart Structures*, Proc. 9th HSTAM Intl. Congress on Mechanics, pp. 511-518, Limassol, Cyprus, 12-14 July 2010
4. G.E.Stavroulakis, D.G. Marinova, E. Hadjigeorgiou, G. Foutsitzi, C.C. Baniotopoulos: *Robust active control against wind-induced structural vibrations*. *J Wind Engineering and Industrial Aerodynamics* 94(11), 895-907, 2006.
5. G.E. Stavroulakis, G. Foutsitzi, V. Hadjigeorgiou, D. Marinova and C.C. Baniotopoulos, *Design and Robust Optimal Control of Smart Beams with Application on Vibrations Suppression*, *Adv. Engng Software* 36, 806-813 (2005)

Research Interests

- Mathematical Modeling and Computer Simulation
- Mathematical Methods (Variational Methods, FEM, Quantitative Methods)
- Control of Composite Smart Structures

Lecturing Courses :

Financial Mathematics, Quantitative Methods in Economics,
Econometric, Financial Management, E-commerce, Management
Information Systems.

Studies

1. Bachelor in Mathematics from The National Kapodistrian University of Athens, 1981.
2. PhD, in Mathematics from the same University, 1986

Current Position

- Assistant Professor , in the Department of Finance and Accounting , of the School of Management and Economics of TEI of Epirus
- Departmental responsible of Innovation, of the TEI of Epirus.

Previous Positions

- Research associate in the Department of Mathematics of the University of the Aegean, of the TEI of Athens, and of the TEI of Chalkis.
- Researcher in the Greek National Center Democritus (EKEΦE) , National Hellenic Research Foundation (NHRF, E.I.E), in the Institute of Computer Technology of the University of Patras (CTI, ITY).
- Lecturer in the MSc and the Bachelor programs of the University of Portsmouth UK, of the European University CH, Southampton UK, New York State University USA, Coventry UK, Hertfordshire UK, (franchise ,in Athens).
- Manager, and Analysts of Financial Derivatives in the Greek, Brokerage Capital SA, and Software systems companies, Singular , Broker's Systems SA, ALTEC, LogicDIS.

Research Works

About 40 papers in Journals, Conferences, Universities publications and many citations from other authors.

He is the author of at least the next books :

1) For a new Clean Ubiquitous renewable Green Energy.

Pages 137 Editions Bookstars, 2012, ISBN 978-618-5015-10-7

(<http://thenewuniversalattraction.blogspot.gr/>)

2) Values and trends of the new Green Economy, Pages 72 Editions Bookstars, 2012, ISBN 978-618-5015-08-4, (<http://liberating-values.blogspot.gr/>)

3) Quality Algorithmic Trading and Scientific Technical Analysis

Pages 200 Editions Bookstars, 2012, ISBN 978-618-5015-09-1

(<http://rainbowquotes.blogspot.gr/>)

Research Interests.

- 1) Application of computer science, mathematics, econometrics, and statistics in business and economics.
- 2) Application of mathematics in optimal portfolio selection, of linear, non-linear, integer programming in economics,
- 3) Mathematical models of risk analysis and simulation of banks and enterprises, and analysis of business cycles and stock exchanges cycles.

B) Infrastructure:

The department is located in Preveza, in Psathaki's area. Its modern building facilities of 4.270 m² are tailored for the research and teaching needs of the department as they comprise:

- Ten (10) teaching rooms and three (3) auditoriums which have at their disposal the requisite equipment such as projectors, sound systems, wireless networking in order to conduct the lectures. The central auditorium is used for the organization of workshops, seminars and conferences.
- Six (6) educational Computers labs are used for the laboratorial education of students but they also satisfy the wider educational needs and support the administrative function of the department. The laboratories are linked to the central library of TEI of Epirus. They offer to the students access to internet and to specialized software (SPSS, Lindo, etc), and databases (ICAP).

- A meeting room with advanced equipment for the general meetings of the department.
- A modern library which is a member of the Greek academic libraries (Heal-link). The library comprises 2,800 book titles, 10,700 copies of books, 62 magazines, reference books (dictionaries), videos, CD-ROMS, financial newspapers, brochures Banks, studies, and dissertations.

5. PARTNERSHIPS/ PROGRAMS/AWARDS

A. Partnerships

The Department collaborates in a regular basis with other departments of higher education institutions both domestic and abroad, mainly for research projects. Specifically, the Department has worked among others with the Athens University of Economics and Business, the University of the Aegean, the University of Ioannina, the University of Patras, the Technological Educational Institute of Western Greece, the Agricultural University of Athens, the University of Crete, and the University of Liverpool. Faculty members of the Department also collaborate with faculty members of many other universities producing scientific results that are published in Greek and International journals and conferences.

B. Programs

The Department has successfully completed several research programs undertaken in the past such as: «Social Network for Tourism Operators, INTERREG IV Greece - Italy, Cross-Border Cooperation Programme 2007-2013», «Education and Lifelong Learning, NSRF 2007 - 2013 », " Strategies Encouraging Alternative Forms of Tourism, INTERREG IIIA Greece-Italy". Currently, the Department runs programs such as "Archimedes III: AID research groups in Technological Educational Institutes".

C. Awards

At the site "ARISTEIA", which stands for excellence, of the Greek Ministry of Education there are two actions in which the Department participation is demonstrated. The first action refers to the first place in the first international scheduling competition <http://excellence.minedu.gov.gr/listing/134-nursing-scheduling> and the other action refers to the second position in the second international scheduling competition <http://excellence.minedu.gov.gr/listing/304-exam-scheduling>.
